A NEW YEAR PRAYER

Dear God,

Thank you that you make all things new. Thank you for all that you've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need you and rely on your presence filling us every single day.

We ask for your wisdom, for your strength and power to be constantly present within us. We pray you would make us strong and courageous for the road ahead. Give us ability beyond what we feel able, let your gifts flow freely through us, so that you would be honored by our lives, and others would be drawn to you. Keep your words of truth planted firm within us, help us to keep focused on what is pure and right, give us the power to be obedient to your word.

Forgive us for the times we have worked so hard to be self-sufficient, forgetting our need for you, living independent of your spirit. Forgive us for letting fear and worry control our minds, and for allowing pride and selfishness wreak havoc over our lives. Forgive us for not following your ways and for living distant from your presence.

Shine your light in us, through us, over us. May we make a difference in this world, for your glory and purposes. Set your way before us. May all your plans succeed. We may reflect your peace and hope to a world that so desperately needs your presence and healing.

To you be glory and honor, in this New Year, and forever.

In Jesus' name we pray, Amen.
